The DCSD Virtual Literacy Camp* is an interactive summer school experience for our DeKalb County students enrolled in kindergarten - 2nd grade during the 2021-2022 school year. The Literacy Camp model is designed to incorporate not only literacy skills (fluency, comprehension, analysis) but also engagement skills.

Each day of Literacy Camp, teachers will implement evidence-based and standards-aligned literacy lessons in an innovative format—transforming traditional reading instruction into an engaging atmosphere.

Students will be exposed to a variety of reading opportunities, including virtual read-alouds and independent reading time.

**The Lit Camp is virtual ONLY.
There is NO face-to-face option.*
