

English Learners Department
2024 Title III English Learner- Summer Enrichment Program
Grades 1-12

The purpose of the Title III EL Summer Enrichment Program is to provide an extended year opportunity for English Learners in grades 1-12 to develop the academic language necessary to succeed in all content areas, with a special focus on the academic language of reading, mathematics, and science. The students will also participate in hands-on activities exploring cultural diversity. The summer program is designed for current English learners at the Entering level of language proficiency.

This program will provide enrichment for grades 1-12.
