

# 2024 AP Bridge Camp

AP Bridge Camp is designed for rising 9th-12th grade students to help them prepare for advanced academic options in high school, including AP, IB, and dual enrollment. Students will pursue academic topics designed to engage their interests while challenging them to think critically, collaborate, and write about their learning. Teachers will use student-centered methods to show students how to take control of their own learning. Practical strategies, like time management and study skills, will also be addressed.

## Dates and Locations

**Session 1:** June 24-28;  
Southwest DeKalb High  
School; 2863 Kelley Chapel  
Rd; Decatur, GA 30034
