FIRE SCIENCE AND PUBLIC SAFETY

Career Exploration Camp

**For rising
8th-12th
Graders**

June 23 - June 27 2025

Stephenson High School
701 Stephenson Road
Stone Mountain, GA 30087

The Fire Science & Public Safety Career Exploration Camp is an immersive experience that introduces students to careers in business management and administration, health science, STEM, law, public safety, corrections, security, fire services, and medical services.

**Enjoy hands-on activities and learn from
real-world scenarios, guest speakers, and
interactive learning experiences!**

The camp will culminate in a field trip to the DeKalb County Fire Training Academy, where students will witness firsthand the training and skills required for careers in fire science, medical response, and emergency management.
