

## ***PROJECT CHILD FIND***

**Project Child Find** is part of the DeKalb County School District's ongoing efforts to locate and identify children and youth ages 3 through 21 with disabilities who need special education and related services.

Do you know a child who resides in or attends a private school (or is home schooled) in DeKalb County who may have a developmental delay or other disabilities such as problems with learning, communication, vision, hearing, or other physical or health impairments? Do you suspect this child may need special education services?

The DeKalb County School District offers comprehensive special education services to eligible students ages three through 21 years. Contact 678-676-1800 for more information or visit our website at:

### **DID YOU KNOW...**

---

Parents & grandparents are often the first to notice a child has difficulties with learning and developing like other children?

---

Children with learning difficulties benefit most from early detection of problems?

---

More boys than girls are diagnosed with learning disabilities?

---

Many people who have learning disabilities go on to become extremely successful, and in some cases, famous?
