# VERGE

## Elements

**DeKalb County** School District

**Page**

The Page element allows the teacher to provide information to the student. Teachers may also refer to this as a Dashboard.

Folders are used to organize your resources.

**Folder**

**Assignment**

The Assignment element is used when a student is required to submit an assignment in VERGE.

Allows teachers to collaborate in an active conversation with students.

**Discussion**

When you see Test element, this means that there is an assessment or informal quick check of skills.

**Test**

The Task element allows the teacher to provide a digital list of tasks that the student must complete.

**Tasks**

The Messenger is used to send messages to your teacher.
