In kastoo fowdada xiritaanka dugsiga, ay ku qasabtay waxbarashada onleenka ah, iyo saxitaanka jawi dugsi waxbarasho, waxaan ku dhiirannahay inaan arko kaliya hoos u dhac yar oo heerkeena qalinjabinta afarta sanno,” waxaa yiri Kormeeraha guud Dhaqtar Devon Q. Horton. “Waxaan u mahadcelineynaa macalimiinteena, hogaamiyayaasha, iyo shaqaalaha dugsiga oo isku duubmidooda ay ku taageerayaan ardaydeena iyo bulshooyinkooda maadaama ay soo mareen afar sanno oo adag.”

Sannad dugsiyeedka 2023 wuxuu calaamad u yahay guusha sannadlaha shannaad ee isku xiga ee kooxda hoose ee Ardayda Naafada ah. In ka badan lixdii (6) sanno ee la soo dhaafay, qiimaha waxaa ku kordhay 18.38%.

“Waa inaan dhammeystirnaa falanqeyn qotodheer oo ku saabsan xeerarka ka laabashada kooxdeena dheer, habraacyada howlgalka kooxda qalin jabinta, xeeladaha waxbarashada caadiga ah, iyo taageerada ardayda dheeriga ah si aan u go'aansano tallaabooyinkeena xiga oo aan ku badeeyno habdaqamada hadda si aan u kordhino heerarka qalin jabinta degmadeena iyo dugsigeena.”
