Comprehensive Access & Opportunity Audit Survey

The DeKalb County School District, in partnership with Public Consulting Group, is conducting a Comprehensive Access & Opportunity Audit to improve educational outcomes and support our mission to promote the academic, social, and emotional growth of each student.

Responses must be submitted by February 3rd!

[Click here to sign up for a focus group!](#)

Please note that everyone who signs up for a focus group will not be selected. Participants will be randomly selected by the auditor.

For more information about the Access and Opportunity Audit, please see the FAQ documents. Translations are available.
